

## Governor McCrory Applauds MetLife at Ribbon Cutting Ceremony

Raleigh, N.C.

Jun 22, 2015

Governor Pat McCrory joined 300 MetLife employees, government officials, community stakeholders and business executives today at the MetLife Global Technology and Operations Center ribbon cutting ceremony.

**“MetLife had high expectations for North Carolina when it brought its Global, Technology and Operations Center to our state,”** Governor McCrory said. **“North Carolina has exceeded their expectations. We must continue to make investments in education, human capital and infrastructure to allow companies like MetLife and its employees to reach their potential.”**

In March 2013, Governor McCrory announced MetLife Inc., a leading global insurance and employee benefits company, was establishing hubs for its U.S. Retail Business in Charlotte and for its Global Technology and Operations organization in Cary, with plans to create 2,600 jobs by the end of 2015. MetLife announced today that they have reached this employment goal six months ahead of schedule.
